Dedication

Among the architects of Fate, are you.
Working in these halls of Time.
Some did massive deeds and great,
Some did ornaments of rhyme.

And now, the structure that we raise,
Time is with materials filled,
But your todays and yesterdays
Are the books with which we built.

Else our lives are incomplete
Standing in these walls of Time.
Broken stairways, where the feet
Stumble as they seek to climb.

By you, no one is useless or low;
Each thing in its place is best,
And what seems but idle show
Strengthens and supports the rest.

You truly shaped and fashioned these,
Left no yawning gaps between;
You thought not, because no man sees,
Such things will remain unseen.

We'll build today, then, strong and sure,
With firm and ample base;
And ascending and secure
Shall tomorrow find our place.

--R. Browning

To Dare Is To Care

F.H.A. sponsors many activities throughout each year, and this year was no exception. With Daddy Date Night, the Christmas Dance, Formal Initiation, a Lasagne Supper, and the Mother-Daughter Tea their year was filled to capacity. Along with all of these activities they found time to enjoy several speakers who, through their talks, showed the girls how to become better homemakers of tomorrow.

Band and Chorus Activities

At the beginning of the year the band marched in the El Paso Corn Festival parade, and later in the year at the Granville Businessmen's Fall Festival. Band and chorus also had a booth selling flowers, donuts, and ornaments at the festival. The band then presented its annual fall concert. The chorus presented its fourth annual Christmas concert. The chorus also sang Christmas carols for the patients at St. Margaret's Hospital. Band was busy during this time playing at the Panther's home basketball games. After Christmas vacation the band presented its winter concert featuring a free exercise routine and a flute solo. Selected members of band and chorus participated in solo and ensemble contest at Genoa-Kingston H.S. in March. Both band and chorus later participated in organization contest, also at Genoa-Kingston. The chorus participated in the Tri-County Choral Festival. This year, the band received new uniforms. They marched in area Memorial Day parades and later played for the IVCC and PCHS commencement exercises.

"Las" Panteras

On Tuesday, August 26, 1969, ten girls were chosen to be the members of the first P.C.H.S. drill team. Co-Captains, Cheri Fay and Rose Henderson instructed the girls at tryouts. The Panteras marched with the band and performed for other organizations. They also performed at half-time at each home basketball game. Through hard work and determination the Panteras had a very rewarding and successful year.

THE ROAD AHEAD

Graduation from high school marks the beginning, the first bold steps along the road of future challenges and opportunities. Jones & Laughlin congratulates every graduate upon the successful accomplishment of this beginning and offers a new challenge to those who have the aptitude and ambition to set their sights on a steelmaking career. Opportunities in steelmaking at J&L's Hennepin Works include apprenticeship programs for careers as Millwrights, Machinists, Electricians, Pipe Fitters and others. Your school counselor can provide additional information. From J&L to all of you, good luck and good fortune on the road that lies ahead, wherever it may lead you.
